UPDATES

	<p>School Cleanup Day, 10/13 (Sat.) Thank you MVE volunteers for making a huge difference. Lots of effort was put on campus clean up, bench painting, plant trimming, disaster emergency kit sorting, inventory replenishment and more!!</p>
	<p>Family Movie Night: 9/21 (Fri.) September was such a busy month getting the schedules in place for us and our kids! Plus, it is important for parents to get a chance to socialize with each other as well. What can be a better option other than a Movie Night at our own Mission Valley MUR? The movie night on 9/21 turned out to be a big Family Social Party! Stay tuned, we look forward to having a few more of these great nights.</p>
	<p>Math/Science Olympiad Parent Info Night: 10/5 (Fri.) Many parents and students joined us for Math/Science Olympiad Parent Info Night.</p>
